

United Way
Perth-Huron

Have you ever?

Helped a family in crisis find their way?
Provided a safe home to someone on the street?
Offered friendship to help someone feel included?

You have!

You have done all these things and more because you gave to United Way Perth-Huron so that we could support **47 local partners.**

All That Kids Can Be

We help children and youth reach their full potential. Working toward all kids experiencing positive mental health and wellbeing, and feel involved with a sense of belonging in the community

Strong Communities

We invest in programs that make our community vibrant and safe. We focus on improving access to social and health-related support services, as well as, support community integration and engagement

Lives are Changing!

"My Big Sister taught me to be more responsible. I'm able to show my feelings now and be open-minded. When I have questions she is always able

to answer me. I look forward to meeting with her every week."
- Brooke

"I encourage anyone **living** with or **dying** from abuse to seek help. When I came to the Emily Murphy Centre, someone was always there when I needed help or support...they showed me so much and connected me with amazing resources."

- Naomi

"Thoughtful people make strong communities - it is really that simple. I have witnessed this first hand in my role as Campaign Chair and have seen thousands of lives strengthened as a result.
