Bill didn’t want to leave Exeter. It was his community, but he was homeless and Stratford was the only option. Bill’s health declined and he reached out to Huron Turning Point. After returning to Exeter, Bill began medical treatment and Turning Point worked with him to find long-term, stable housing. Now, Bill has a solid foundation to build on.

People experiencing homelessness report additional vulnerabilities; 30% physical disabilities, 61% mental health and 39% chronic health issues

“I’m a single mother of two and a United Way funded recreation program made a huge impact on our lives. Having a son with behavioural issues, activities are great for him. It means so much to me to have this help for my family.”

46 families supported with financial assistance for extracurricular activities last year

Joe was diagnosed with prostate cancer. Counselling funded by United Way helped him and his family through a difficult time and also eased the pain and loss Joe’s family felt after he passed away.

61 individuals and families received counselling last year

Last year, United Way helped 1,707 Exeter and area residents

United Way partners with 18 organizations in Exeter and area
Homelessness isn’t just about sleeping on the streets. It affects every aspect of a person’s life.

100 individuals identified as experiencing homelessness during 2018 in Huron County

80% of homelessness is hidden

94 youth needed homelessness support in Huron the past two years

Three beds in Exeter have helped 21 men over three years

BUT 40 men applied

Together let’s work to eliminate chronic homelessness

1. Three additional beds at Turning Point Home in Exeter
2. Housing location services and ongoing support for successful tenancy
3. Prevention and support services for youth and women
4. Temporary emergency shelter
